Primary & Middle Section – September 2022, Week 1 & 2

## A MESSAGE BY MS SUPRIYA SEHGAL HEAD OF SECTION

**Hola dear NIMS Family!**

After an enlivening summer break, I candidly welcome you all back to learning world. Where I am expecting to see your backpacks fully loaded with new hopes, stronger dedication, willingness to learn, eagerness to be identical, positive thoughts to sprinkle love and element of respect.

As always, I am very proud to be a part of this exceptional community and look forward to continuing my work with the students, teaching faculty and families. Students are indeed the foundation of our nation, and we must provide them with opportunities to grow up optimistically. The main reason for a nation's development and prosperity, according to all accounts, is indeed the presence of young minds.

Learners devise innovative and creative plans to bring honor to the nation. We can't overlook their involvement and dedication in the lives of caretakers, instructors, as well as other people associated with them throughout their existence.

As first term's exams are around the corner, I am behind you, cheering you on to the finish line. You might be feeling stressed, overwhelmed, confused and so damn tired – I understand that, but keep going. Give it everything you've got – you're nearly there – and know that whatever happens next, you've got what it takes for an amazing life.

**Good Luck!**

## SCHOOL WORK

School work is so much to do  
They bother us day and night  
Those assignments we do are so hard  
Like a beginner solving a Rubix's Cube  
Each and every day is like a burden  
But that burden leads us to success  
Beyond our Expectation

## MY DREAM TO BECOME A DOCTOR!!

To earn the title DOCTOR.  
It takes me many years to achieve.  
It takes me more than just studying.  
It requires me to believe in humanity.

To become a doctor is my lifelong dream.  
As this prestigious title is only given to a few people.

I start with many dreams  
To make the world a better place  
To help and heal each person  
No matter color or race

I will always reassure a gentle smile and I hope my  
patients know that,  
I will always go and extra mile...
