## **RE-REGISTRATION AND ADMISSION FEES 2022-23**

Dear Parent,

We believe that education is a collective work of the students, parents and the School. As part of our advance planning for ensuing Academic Year 2022-23, we would like to know your future plans for continuing your child/(ren)'s education with us.

As per the KHDA norms it is necessary to re-register your ward's name if you wish your ward/s to continue with the school by paying AED: 500/- as re-registration fee.

Please note you must clear all outstanding fees for the Academic year 2021-2022 before you will be eligible to pay 500AED re-registration. If you pay 500AED without clearing your arrears it will be automatically credited to the arrears and will not considered as re-registration.

Families that do not confirm returning students and do not pay the required re-registration fees (AED: 500/-) by 15/02/2022 will not be considered to have a guaranteed seat for their child/(ren)'s and will go on a waiting list for the new Academic Year.

### **Re-Registration process:**

The parents can re-register their ward/s for the next academic year by paying **AED: 500/-** on or before **15/02/2022**. This amount will be deducted from the first installment fee (April to June, 2022).

If a re-registered student decides to discontinue, it should be communicated to the school in writing latest by **01/03/2022**, failing which no refund requests will be entertained.

Your timely action will help us to plan better.
