CIRCULAR

03/02/2022

Dear Parent,

“Greetings from New Indian Model School, Dubai”

We are delighted to announce that all students will be learning face to face in the academic year starting April 2022.

As you are aware as the boys grow older, they are welcomed into our afternoon shift with its congenial learning environment, for example, they are given more opportunities to pray together and enjoy the freedom of the campus during break times. Also in the afternoon shift they are cared for and thrive with the older boys in the school who represent sound role models.

The morning shift suffers from scarcity of space but, subject to KHDA regulations, we shall try to maintain two Grade 3 classes and one Grade 4 class in the morning shift.

Please be aware it may not be possible to run these classes due to lack of space, however ,if they can be maintained, we wish to be as transparent as possible in the allocation of seats.

The seats will be allocated in the morning shift for the students who fall under one of the following categories:

- a. Unavailability of school transportation in the afternoon
- b. Staff children
- c. Some Students of Determination
- d. Critical medical cases

You may apply for the FN shift for your ward if he falls under any of the above-mentioned category by filling the form below on or before 5th February, 2022:

You will be notified about the confirmation of Morning shift on 15th February, 2022.

Looking forward for your cooperation.
