RE-REGISTRATION AND ADMISSION FEES 2022-23 - REMINDER

Dear Parent,

As part of our advance planning for the Academic Year 2022-23, we have already reminded you about the re-registration of your ward's name to continue with the school by paying AED: 500/- as re-registration fee.

As requested by manyfold parents, we extend the date of re-registration up to 15 March 2022. If not registered, we can't assure you of the availability of seats for your ward in the academic year ahead.

Your timely action will help us to plan better.

Warm regards,

Principal
