Dear Parents,

Greetings from New Indian Model School Dubai!

Hope you are safe and healthy.

We value all our patronage and thank you for accommodating your child with us to continue the journey towards excellence.

Kindly go through the reminder for the promotion which will happen on 25 March.

**1. If the outstanding fees for the year 2021-22 are cleared and re-registered your ward by paying 500 AED.**

We thank you for your whole-hearted cooperation. Your ward will be automatically promoted. Please clear the first installment fee by 10 April 2022 so as to continue throughout the academic year ahead (2022-23). In case of any query and concerns regarding the payment, kindly feel free to contact the Parent Relationship officer to discuss an alternative individual plan.

**2. If the outstanding fees for the year 2021-22 are not cleared.**

Your child will not be promoted and hence will not appear in Educare. You must pay all the arrears and the first installment before promotion can be given. Kindly be mindful that your child's seat will be on hold and the school reserves the right to give your child's seat to someone else if the full payment is not received. You may not send your child on the first day of the term unless arrears and the first installment have been cleared and received confirmation of promotion. In case of any query and concerns regarding the payment, kindly feel free to contact the Parent Relationship officer to discuss an alternative individual plan.

Soliciting your co-operation in this regard.

The parent's cooperation and understanding are desired for the smooth functioning of the school.

Warm regards,

**Principal**
