PARENTS' ADVISORY COUNCIL

Dear Parents,

Greetings from New Indian Model School, Dubai.

This is to inform you that the school is running the annual election for the Parent Advisory Committee (PAC).

The role of the PAC is to provide advice and assistance to school administrators and educators related to the Academic Achievement Plan, programs, activities, resources, and services to help the school attain its goal of providing each child with the best education possible. Your presence on the PAC will help us to identify the concerns of students, parents, and community members and assist in developing solutions.

The PAC meets once a month and the meetings are held either virtually or face to face depending on the topics to be discussed and decisions to be taken. Each meeting lasts for about an hour. At least one representative is requested from each Grade.

The school respectfully requests you consider nominating yourself for the PAC. Please go to the link attached to complete the google form to mark your willingness to be a part of PAC on or before 02\06\2022.
