Dear Parent,

SUBJECT : MANGAHIGH COMPETITION (MATHS)

Greetings and good wishes from New Indian Model School, Dubai!

We are pleased to inform you that the much awaited Mangahigh Competition is back!

New Indian Model School is hosting **Mangahigh online competition** from **Grade 1 to Grade 8**. This is a great platform for our students, to improve their Mathematical skills. Teachers will assign activities from different concepts and students have to complete the assigned activities within the due date with accuracy to obtain highest points. This will not only improve their Math skills but also enable them to solidify the concepts learnt during the year and thus prepare well for the upcoming Asset Exam in Math.

Below are the steps to help your child use the platform:

1. Web-site. : www.mangahigh.com/login
2. The User ID and the Password of registered students has been already shared with the students.
3. Students can go to assigned activities and start the tasks assigned or can do independent activities.
4. Please note that points earned before the date will NOT be considered.
5. Every child who earns 300+ points, from May 1st to 31st May 2022, will win a Certificate of Achievement.

Kindly encourage your child to make use of this opportunity to improve his/ her mathematical skills.

Good luck to all those involved and we look forward to seeing the points rolling in very soon!

Thank you for your continuous support in this regard.
