**MATH MARKET CIRCULAR**

**24/05/2022**

Dear Parents,

Greetings from New Indian Model School Dubai!

We are pleased to inform you that NIMS Grade 3-8 (Preparatory and Middle Section) is hosting a Math Market on Thursday 26<sup>th</sup> May, 2022 from 10:00 am to 3:00 pm. The market provides a platform for our students to showcase their mathematical skills. In addition to this, it gives an opportunity to bring together the larger community of parents.

Community partnerships between the school and the parent are fostered throughout the planning and implementation. As parental involvement is a key component, we expect the parental community to volunteer in developing the entrepreneur skills through a Math Market.

The market will consist of stalls for food, toys, art & crafts and plant saplings. We are expecting 50 parents to participate in the project. The opportunity will be provided to the parents on first come first serve basis.

The school respectfully requests you consider nominating yourself for participating in the Math market. Please go to the link attached to complete the google form to mark your willingness to be a part of Math market on or before 25/05/2022 (morning 8am). We are very excited to see family engagement come alive in our MATH MARKET and we hope to see you there!
