Dear Parents,

Greetings from New Indian Model School, Dubai.

Trust our students have had a relaxing and happy summer vacation filled with memories with their families and loved ones.

As excited as we are to welcome our students back on campus. We look forward to working with you and your children in reinforcing the culture of partnership and students' wellbeing between the school and our community.

For us to ensure the successful journey of our students towards excellence, **we request All Parents to clear all the outstanding Fee Arrears of TERM-1 at the earliest to avoid any inconveniences.** We are counting on your cooperation and your prompt attention to this matter is highly appreciated.

Please ignore the reminder if you have already cleared the outstanding fees.

Thank you once again for all your love and support towards our institution, as we gear up for yet another successful term ahead.

Kind regards

Stephen DaCosta

Principal
