**Dear Parents,**

Trust this email finds you well and in good health. Our school community is very grateful and thankful for all your support.

To increase the effectiveness of our online classes, we have revised our school day timings on Friday for our online students.

**School Schedule: 6:45 am – 12:00 pm**

**Students should log into Educare at 6:45 am to attend the class teacher period and the assembly. The first period starts at 7:00 am and online classes finish at 12:00 pm.**

**Please note the following expectations from our students:**

Attendance:

*Attending the online session is very important for the student to follow up on lessons and learn efficiently.*

- Students should always interact with the teacher and respond during the session.
- In case of being absent or late to the online session; both the supervisor and the teacher should be notified by the parents by an email stating the reason.
- Early dismissal from an online session must be supported by an email to the teacher and the supervisor.

Uniforms & Cameras:

- Wearing a uniform is a sign of identification with the school community of New Indian Model School. By wearing a uniform, students show pride in their school and exhibit respect for themselves and others by dressing in a dignified manner.
- Student should open the camera during the sessions and should join the session wearing the school uniform.

Thank you once again for your continuous support and cooperation.

Kind regards,
