Dear Respected Parents,

Greetings from New Indian Model School, Dubai.

The annual KHDA survey has been shared with all the schools, as it is an important tool KHDA uses to understand students', teachers' and parents' perspectives and experiences of schooling in Dubai.

Results of the survey are used to inform quality assurance visits, guide education policy and ultimately improve students' learning outcomes.

The survey is completely anonymous, and takes approximately 10 minutes to complete. It includes questions about the quality of teaching and learning at school, wellbeing within the school environment, and general satisfaction with the school. Select results for each school will be published in inspection reports.

***Please do take out time and fill out the survey by clicking on the link below:***
