Night Camp - Girls

Dear most valued parents,

Greetings from New Indian Model School, Dubai.

We are glad to inform you that New Indian Model School, Dubai is organizing an adventure night camp for **Grades 3 to 8 on Saturday, 4th February, 2023.**

Overnight camping is an important extension of adventure programs. Staying overnight away from parents in a controlled environment helps the kids in becoming self-sufficient. They learn to take responsibility of their belongings, their tents and also their peers. An overnight program goes a long way in breaking the ice and instilling better bonds amongst students and teachers. Rigour of adventure activities during the day followed by socio-cultural activities and the ambience of bonfires makes the overnight experience educative with fun. Various fun filled activities will be conducted as per the age group of the students.
